

James Madison University R.N. to B.S.N. Co-Enrollment Program Memorandum of Agreement

James Madison University and John Tyler Community College

James Madison University (JMU) and John Tyler Community College (JTCC), recognizing the need for registered nurses to achieve baccalaureate degrees in nursing through an education system that promotes seamless academic progression, hereby resolve to adopt a James Madison University R.N. to B.S.N. Co-Enrollment Program Memorandum of Agreement.

The R.N. to B.S.N. Co-Enrollment Program is designed for nursing students who wish to obtain an Associate of Applied Science Degree (A.A.S.) in Nursing at JTCC and complete a Bachelor of Science in Nursing (B.S.N) Degree via the R.N. to B.S.N. Program at JMU. Students who 1) have been accepted into the John Tyler Community College nursing program, 2) present transcripts reflecting a cumulative GPA on all college work attempted of 2.5 or better on a 4-point scale, 3) have completed all prerequisite courses with a grade of "C" or better, 4) are able to meet JMU School of Nursing Technical Standards for nursing practice (posted on the JMU School of Nursing website), and 5) complete a transcript review with the R.N. to B.S.N. program that reflects all prerequisite courses have been or will be completed by the time a student will enter the first co-enrollment semester are eligible for the R.N. to B.S.N. Co-Enrollment Program and will follow the R.N. to B.S.N. Co-Enrollment Curriculum Outline and Advising Guide.

The Co-Enrollment Program Memorandum of Agreement provides JTCC nursing students with the opportunity to dually enroll at JMU as Non-Degree Seeking Students while completing the Associate of Applied Science Degree (A.A.S.) in Nursing at JTCC. For a two-year period, JTCC nursing students enroll in specified JMU R.N. to B.S.N. Co-Enrollment Program courses and JTCC Clinical Component nursing courses concurrently; a total of 26 nursing credits earned during the co-enrollment period (thirteen credits earned at JTCC and thirteen credits earned at JMU) will be applied toward the B.S.N Degree. After students earn the Associate of Applied Science Degree (A.A.S.) in Nursing at JTCC and obtain a current unrestricted R.N. license in any state, Washington D.C., or a U.S possession or territory, they will be admitted to the JMU R.N. to B.S.N. Co-Enrollment Program as a degree-seeking student and will have the application fee waived. Students must complete their Associate Degree in nursing from JTCC within three years; failure to complete an associate degree in nursing from JTCC will result in automatic removal from the JMU R.N. to B.S.N. Co-Enrollment Program.

R.N. to B.S.N. Co-Enrollment Program students must, prior to graduation with a B.S.N. degree, provide proof of employment as an R.N. for a minimum of 540 hours. Students will receive 37 experiential portfolio credits upon presenting the Proof of Employment documentation. Additional requirements to graduate with a Bachelor of Science in Nursing include:

- Ten additional general education credits that may be taken concurrently at JTCC and/or JMU with nursing course work but must be completed prior to graduation. These required General Education courses are:

- Cluster 2: Human Questions and Contexts (if PHI 101 is not taken to fulfill the JTCC Humanities Elective requirement)
- Cluster 2: Visual and Performing Arts (if ART 101 or ART 102 is not taken to fulfill the JTCC Humanities Elective requirement)
- Cluster 2: Literature (if ENG 251 or ENG 252 is not taken to fulfill the JTCC Humanities Elective requirement)
- Cluster 4: The American Experience
- Six additional JMU RN to BSN Program requirement credit hours that may be taken concurrently at JTCC and/or JMU with nursing course work but must be completed prior to graduation.
- Completion of all nursing courses with a grade of "C" or better
- Official transcripts for all transfer and affiliated courses are on file in the JMU Office of the Registrar
- Earn a minimum of 123 credit hours to graduate (includes transfer credit from JTCC). Of the 123 credit hours, students must earn a minimum of 60 credit hours at a four-year institution and a minimum 30 credit hours at JMU.

Accompanying this Memorandum of Agreement is a Curriculum Outline and Advising Guide, which specifies the courses that the student will take at JTCC and JMU.

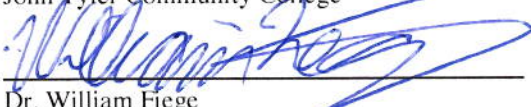

TERMS OF AGREEMENT

1. JTCC will designate officials who will be responsible for all aspects of the Memorandum of Agreement at JTCC. JMU will designate individuals responsible for all aspects of this Memorandum of Agreement at JMU.
 - ◆ Representing JMU will be the Vice Provost for Academic Development.
 - ◆ Representing JTCC will be the Vice President of Learning and Student Success.
2. Both parties are to communicate the conditions of this Memorandum of Agreement to their respective clientele (external and internal constituents). JMU and JTCC will review this Memorandum of Agreement every three years and make adjustments or amendments as deemed appropriate to maintain the integrity of each institution as well as for the improvement of the transfer process. Such changes will not adversely affect students already enrolled and covered under the provisions of the existing agreement.
3. The Memorandum of Agreement will remain in effect until terminated by either party upon written notice to the other party of an intention to terminate. Such notice should be given at least one year in advance of the effective date of termination, and students who entered under the Memorandum of Agreement may take advantage of its terms for four years after termination becomes effective.

Approval of Memorandum of Agreement:

 Dr. Edward Raspiller, Ed.D.
 President
 John Tyler Community College

 Dr. William Fiege
 Vice President of Learning and Student Success
 John Tyler Community College

 Dr. Marilou Johnson
 Vice Provost for Academic Development
 James Madison University

Curriculum Outline and Advising Guide: JMU School of Nursing RN-BSN Co-Enrollment Plan

James Madison University and John Tyler Community College

Note: This document is only a guide.

JMU requires that students earn 120 credit hours to graduate. Of the 120 credit hours, students must earn a minimum of 60 credit hours at a four-year institution and a minimum 30 credit hours at JMU.

Co-Enrollment Period Information

To enroll in JMU Nursing courses as a Non-Degree Seeking Student during the Two-Year Co-Enrollment Period:

Complete and submit the Non-Degree Seeking Student Application Form, including information about residency. Apply online at <http://www.applyweb.com/apply/jmucss/index.html>. Choose "Create Your Account," and then proceed to "Non-Degree Seeking Student Application." When you submit your application, there will be a \$20 application fee that can be paid online with a credit or debit card, or by electronic check.

Estimated Cost of Enrollment as a Non-Degree Seeking Student at JMU During the Two-Year Co-Enrollment Period*:**

Includes Application Fee and Tuition.

1st Semester \$1642

2nd Semester \$1794

3rd Semester \$1744

4th Semester \$1143

Total 53274

***The university reserves the right to adjust tuition and fee charges because of rising costs or other conditions upon approval of the JMU Board of Visitors.
