BIO 142					
HUM					

Faculty Instructions

The student is responsible for completing this form. Do not sign if there is omitted information. Any student who submits an incomplete checklist will be removed from the application process. Faculty should review the following admission requirements with the student:

1. This document must contain a faculty advisor signature.
2. Remind students that a proficient level on the TEAS 7 test is required to apply.
3. Remind students that a higher TEAS 7 (>65) is more competitive. The test can be taken twice.
4. Remind students must submit the bar graph score report for the TEAS 7 test during the application process.
5. Remind student to check that official transcript, CLEP or AP records are on file in A&R.
6. Remind students to complete a Transcript Evaluation form if transferring in any course in the curriculum.
