

1. Click the link to the Zoom meeting you wish to join.
2. You should see a pop-up window prompting you to sign into Zoom. Click “Sign In”:

3. In the next window, choose “Sign In with SSO”:

4. On the next page, under “Your Company Domain,” enter “vccs”, and click “Continue”:

Sign In with SSO

Your company domain .zoom.us

[I don't know the company domain](#) **Continue**

[< Back](#)

5. Once you click continue, it should automatically open a window that prompts you to sign into your myTyler. Sign in, and it should automatically open the Zoom session you chose to sign into:
