***Required Financial Check-in:** Students who register for classes on or before August 6, 2023, and who have not paid for their classes or submitted a completed FAFSA (started the financial aid process) will receive a communication from the college, with information on steps they need to take by to make sure they do not lose their classes.

The college does not mail tuition bills or statements. Log into myBrightpoint > SIS > Student Center to review tuition and fee balances and make online payments.

Important Reminder: It is the student's responsibility to drop any classes by the "last day to drop with a refund" date for each session to ensure no debt is incurred.
