Credits Earned in Standardized Examinations

Advanced Placement Examination Program (AP)

The College Entrance Examination Board (CEEB) administers advanced placement examinations that enable high school students to complete college-level courses while still in high school, to demonstrate college-level achievements through examinations, and to receive college course credit when they matriculate at an institution of higher learning. AP credit is only awarded to students who are enrolled in classes at Brightpoint and are curriculum-placed. For evaluation, students must have official AP score reports forwarded from ETS to the Admissions and Records Office at Brightpoint. Effective Jan. 1, 2025, college credit will be awarded for AP examinations as follows:
