BIO 141					
ENG 111					
PSY 230					
MTH 154					
SDV 100					

### Faculty Instructions

The student is responsible for completing this form. Do not sign if there is omitted information. Any student who submits an incomplete checklist will be removed from the application process. Faculty should review the following admission requirements with the student:

1. This document must contain a faculty advisor's signature.
2. To apply, students should earn at least a proficiency level (60 or above) on the TEAS 7 test.
3. Encourage students to study and retake the TEAS test to improve their scores lower than 60%.

4. Students must submit the bar graph score report for the TEAS 7 test during the application process. The transcript version of the score report is not sufficient. All attempts are submitted for review.
5. Remind students to check that official transcripts are on file in A&R. This includes any AP tests or CLEP documentation.
