SDV 100					

Faculty Instructions

The student is responsible for completing this form. **<u>Do not sign if there is omitted information</u>**. Any student who submits an incomplete checklist will be removed from the application process. Faculty should review the following admission requirements with the student:

1. This document must contain a faculty advisor's signature.
2. To apply, students should earn at least a proficiency level (60 or above) on the TEAS 7 test.
3. Students must submit the <u>bar graph score report</u> for the TEAS 7 test during the application process. The transcript version of the score report is not sufficient. All attempts are submitted for review.
4. Official transcripts are on file in A&R. This includes any AP tests or CLEP documentation.
