**Faculty Instructions**

The student is responsible for completing this form. Do not sign if there is omitted information. Any student who submits an incomplete checklist will be removed from the application process. Faculty should review the following admission requirements with the student:

1. This document must contain a faculty advisor signature.
2. Students should earn at least a proficient level (score of 65 or above) on the TEAS 7 test to apply.
3. Competitive students score above the 45% in all four content areas.
4. Encourage students to study and retake the test to improve their scores.
5. Students must submit the bar graph score report for the TEAS 7 test during the application process. The transcript version of the score report is not sufficient. All attempts are submitted for review.
6. Remind students to check that official transcripts are on file in A&R. This includes any AP tests or CLEP documentation.
